Your Honor,

I submit to you the following statement about how the work of Liana Shanti (Liane Wilson) has helped me change my life. I submitted this story of my own free will, uncoerced, with no conditions or promise of financial gain, compensation or other reward, directly to Aaralyn Shiri, who is the moderator of a page called, "Liana Shanti Saved My Life" on Instagram.

Aaralyn Shiri is a 10+ year student of Liana Shanti, having had weekly one on one phone consults with Liana for many years. Aaralyn started the instagram page to serve as a space for the women and men who have benefitted from Liana Shanti's work to share their experiences and testimonials. I now wish to submit my personal story, in my own words, on behalf of Liana Shanti (Liane Wilson).

My submission to the "Liana Shanti Saved My Life" Instagram account:

"My story feels so small compared to others, but it might resonate with other young women who just feel like something is "off" in their life no matter what they do.

When I found Liana Shanti's Instagram page, my soul immediately jumped and said "YES".

When I joined the FB community, I was following suite of sister who had just joined. Looking back, I realize I was living a life of total bypassing and just wanted a man to take care of me. To be the provider and protector. To give me everything that I was lacking within myself.

But I also had this intense drive to create a successful business, to manifest huge wealth. I wanted to prove myself. That I was worthy.

But I kept hitting a brick wall. Every relationship would blow up and end. Every job was mediocre and I couldn't find my own role within my own company.

It wasn't until I purchased Lifepath that everything started to shift. I started to see how I unknowingly gave away my power.

Liana's Lifepath program accelerated my healing. She saved me from being one of those "spiritual girls" who just kinda stumbles through life, never truly reaching her highest potential. Her teachings are a path that transforms girls into sovereign women.

And this is just the beginning for me. "

Thank you for your time.
